

Michigan Arbor Day Alliance

Tree Planting Grant Report

To be eligible for reimbursement, the Michigan Arbor Day Alliance requires the submission of this grant report along with receipts and pictures of the tree planting. Only complete reports will be accepted.

How has this grant impacted your community? What are some of the specific benefits these trees will provide? Did this grant help move you closer to reaching your goals? (please describe in at least 250 words).

Did your tree planting go according to plan? Were there any challenges during the planning or planting process?

How would you improve the planning process for a tree planting in the future?

Did you make sure to contact all affiliated/relevant parties prior to planting the trees?

Did you consult with any forestry professionals to select the planting site and tree species? Did you plant a diversity of trees?

If you are a municipality, does your city have a tree ordinance, a Tree Board, and/or a Master Plan for managing your city's urban canopy?

How did you hear about the Michigan Arbor Day Alliance Tree Planting Grant? Will you apply again in the future?

Please attach pictures of your tree planting to prove the trees were planted.

Please attach the receipt from the nursery you purchased the trees from.

Please submit complete report by **Feb 1, 2022**
